

## 38cm RGBICWW + RGBICWW Round Smart Ceiling Light

With its RGBIC+WW technology, your room will be transformed into a vibrant wonderland with dazzling colors and effects.

- **Planar Colorful Lighting Effect:** The internal lamp beads of the main light are arranged in five concentric circles. Independent control for each light, a total of 121 segments, creating more detailed and dynamic effects.
- **High-Intensity Lighting:** With a brightness of 4300lm, 45% brighter than normal lighting, it's suitable for multi-scene lighting.
- **Simple Installation:** This ceiling light can be installed in just five easy steps, saving time and effort.
- **Multiple Scene Modes & Music Modes:** Includes 66+ scene modes, allowing you to DIY any lighting effect.
- **Smart Lighting Control:** Adjust your light with a voice command. Supports Alexa, Google Assistant, and Matter.
- **Modern Style:** Low-key fashion with its white simple round appearance, suitable for a modern home style.
