

Elevate Your Space with Style

For Bedrooms

Add a vibrant touch to any room with the Govee Neon Rope Light 2. Shape recognition technology allows for easy customization, while upgraded clips make bending and creating your desired shape easy. Illuminate your space with this versatile and dynamic lighting option.

- **Shape Recognition:** This new generation of Govee neon light incorporates customizing lighting effects through Govee Home App.
- **Upgraded Bend Clips:** The upgraded clips can be bent to create the desired shape in advance for a hassle-free setup.
- **AI Lighting Bot:** This bot is powered by AIGC and utilizes diverse cutting-edge AI algorithms capable of analyzing user input through text, voice, and image data and generating captivating lighting effects through extensive data training.
- **Softer Material:** This light is made of a softer material, a 14% increase in flexibility compared with the previous generation.
- **Improved RGBIC Lighting Effects:** Supports shrinking or expanding the lighting in all directions, making more fun lighting effects possible.
- **Matter Compatible:** Effortlessly adjust your lighting via Govee Home App, Matter, Alexa, or Google Assistant. Note: No 5G Wi-Fi support.
