

Our LED Outdoor Spotlights provide 16 million colors, brightness upgrade, and 69 scene modes, transforming your garden into a vibrant, weather-resistant wonderland.

- **16 Million Vibrant Colors:** Equipped with upgraded RGBWIC beads and a 16-bit LuminBlend control system, delivering 16 million vivid colors with seamless transitions.
- **Outdoor Reliability:** IP67 waterproof, this light withstands the burning sun, heavy rain, and extreme temperatures (-20°C to 40°C). High-quality aluminum casing ensures long-lasting performance.
- **Scene Modes:** Enjoy 69 preset scene modes or create personal effects, ideal for parties and daily lighting.
- **Smart Control:** Compatible with Matter, Alexa, and Google Assistant, enjoy hands-free control via Govee Home App, offering effortless smart lighting.
- **Easy Installation:** Features versatile installation options—ground stakes for easy placement or wall mount for a stable setup with untangled wiring.
